## Scope of Work Supporting Information - Capacity Building and Planning

---

***Scope of Work Supporting Information***

**Describe identified resource needs including financial, human, technical assistance, and training needs**

**Resource need identification\*:**

The County does not have an engineer on staff and needs the technical assistance by hiring a contractor to assist in the creation of the Resilience Plan and identifying the locations throughout the County for additional studies and projects to mitigate the flooding damage.

**Describe the plan for developing, increasing, or strengthening knowledge, skills and abilities of existing or new staff.**

**This may include training of existing staff, hiring personnel, contracting consultants or advisors**

**Development of Existing or New****Staff\*:**

Greene County received a grant for staff to be trained as Floodplain Managers and three members of the staff are undergoing that training at this time. Greene will hire a contractor to assist in the development of the plan who will work with members of our Planning and Zoning staff.

**Where capacity is limited by funding, what strategies will be developed to increase resources in the local government? (This may include work with non-governmental organization, or applying for grants, loans, or other funding sources)**

**Resource Development****Strategies\*:**

Once areas are identified for further study, Greene will seek grants for the hiring of a contractor to study those areas and develop the mitigation strategies that will offer the best mitigation from future flooding.

**Describe policy management and/or development plans**

**Policy management and/or development\*:**

If awarded, the County will place the project out for bid prior to awarding the contract.

**Describe plans for stakeholder identification, outreach, and education strategies**

**Stakeholder identification,  
outreach, and education  
strategies\*:**

Greene will host two public meetings, one at the beginning to gather further data from those impacted by flooding. The second public meeting will be held with the Board of Supervisors for the public hearing regarding the Resilience Plan.
