Enter a description of the project for which you are applying to this funding opportunity

Project Description*:

Funding for an Environmental Education Planner position through the CFPF Capacity Building and Planning category to increase local and regional capacity for public outreach, education, and training, for coastal resilience, floodplain management, and related issues.

Low-income geographic area means any locality, or community within a locality, that has a median household income that is not greater than 80 percent of the local median household income, or any area in the Commonwealth designated as a qualified opportunity zone by the U.S. Secretary of the Treasury via his delegation of authority to the Internal Revenue Service. A project of any size within a low-income geographic area will be considered.

Is the proposal in this application intended to benefit a low-income geographic area as defined above?

Benefit a low-income geographic area*: No

Information regarding your census block(s) can be found at census.gov

Census Block(s) Where Project will Occur*: 515500208091041

Is Project Located in an NFIP Participating Community?*: Yes

Is Project Located in a Special Flood Hazard Area?*: No

Flood Zone(s) (if applicable): N/A

Flood Insurance Rate Map Number(s) (if applicable): N/A

Eligibility - Round 4

Eligibility

Is the applicant a local government (including counties, cities, towns, municipal corporations, authorities, districts, commissions, or political subdivisions created by the General Assembly or pursuant to the Constitution or laws of the Commonwealth, or any combination of these)?

Local Government*: Yes

Yes - Eligible for consideration

No - Not eligible for consideration

If the applicant is not a town, city, or county, are letters of support from all affected local governments included in this application?

Letters of Support*: Yes

Yes - Eligible for consideration

No - Not eligible for consideration

Has this or any portion of this project been included in any application or program previously funded by the Department?

Previously Funded*: No

Yes - Not eligible for consideration

No - Eligible for consideration

Has the applicant provided evidence of an ability to provide the required matching funds?

Evidence of Match Funds*: Yes

Yes - Eligible for consideration

No - Not eligible for consideration

N/A - Match not required

Scoring Criteria for Capacity Building & Planning - Round 4

Scoring

Eligible Capacity Building and Planning Activities (Select all that apply) – Maximum 100 points. To make multiple selections, Hold CTRL and click the desired items.

Capacity Building and

Planning*:

Goal planning, implementation, and evaluation, Long-term maintenance strategy, Other proposals that will significantly improve protection from flooding on a statewide or regional basis, Stakeholder engagement and strategies

Is the project area socially vulnerable? (based on ADAPT Virginia's Social Vulnerability Index Score)

Social Vulnerability Scoring:

Very High Social Vulnerability (More than 1.5)

High Social Vulnerability (1.0 to 1.5)

Moderate Social Vulnerability (0.0 to 1.0)

Low Social Vulnerability (-1.0 to 0.0)

Very Low Social Vulnerability (Less than -1.0)

Socially Vulnerable*: Moderate Social Vulnerability

Is the proposed project part of an effort to join or remedy the community's probation or suspension from the NFIP?

NFIP*: No

Is the proposed project in a low-income geographic area as defined below?

"Low-income geographic area" means any locality, or community within a locality, that has a median household income that is not greater than 80 percent of the local median household income, or any area in the Commonwealth designated as a qualified opportunity zone by the U.S. Secretary of the Treasury via his delegation of authority to the Internal Revenue Service. A project of any size within a low-income geographic area will be considered.

Low-Income Geographic Area*: No

Does this project provide “community scale” benefits?

Community Scale Benefits*: More than one census block

Comments:

The proposed project is intended to provide benefits and services region-wide. Hampton Roads includes low-income geographic areas as well as areas with very low and low social vulnerability, as shown in the attached maps.

Scope of Work and Budget Narrative - Capacity Building and Planning - Round 4

Scope of Work Supporting Information - Capacity Building and Planning

Scope of Work Supporting Information

Describe identified resource needs including financial, human, technical assistance, and training needs

Resource need identification*:

The Hampton Roads Planning District Commission requires financial assistance from the Community Flood Preparedness Fund to hire additional staff to expand existing and establish new outreach, education, and training programs for coastal resilience, floodplain management, and related issues. The agency does not currently possess funding in its FY26 budget, nor does it anticipate having the required resources in future years. This position is necessary to increase outreach capacity across the region, which is currently underserved by existing regional and local government staff.

Describe the plan for developing, increasing, or strengthening knowledge, skills and abilities of existing or new staff.

This may include training of existing staff, hiring personnel, contracting consultants or advisors

Development of Existing or New

Staff*:

The Hampton Roads Planning District Commission intends to use funds from the Community Flood Preparedness Fund to hire new staff for outreach and engagement and provide them with the necessary training and professional development opportunities. This new position will also be tasked with helping existing staff incorporate flood risk into stormwater, drinking water and emergency management programs.

Where capacity is limited by funding, what strategies will be developed to increase resources in the local government?

(This may include work with non-governmental organization, or applying for grants, loans, or other funding sources)

Resource Development

Strategies*:

The Hampton Roads Planning District Commission intends to support the position in the long-term through enhancements to its locality-funded special assessments (including, but not limited to, Coastal Resiliency, Stormwater, and Environmental Education, and additional grant opportunities as appropriate and available.

Describe policy management and/or development plans

Policy management and/or

development*:

The new position will work with the HRPDC's existing programs related to environmental education, emergency management, and water resources to identify opportunities for incorporating public engagement, outreach, and training into local and regional comprehensive plans, strategic plans, source water protection plans, water supply plans, hazard mitigation plans, etc. The new position will assist localities in developing outreach materials and develop and implement programmatic enhancements to outreach, education, and training programs.

Describe plans for stakeholder identification, outreach, and education strategies

Stakeholder identification,

outreach, and education

strategies*:

The Hampton Roads Planning District Commission coordinates several local government committees that provide a mechanism for identifying key stakeholders and for engaging with communities. These include the Coastal Resiliency Committee, Regional Environmental Committee, All Hazards Advisory Committee, and others. The new position will work with existing HRPDC staff and these committees to develop outreach and education strategies to engage the public and key stakeholders through community events, promotional materials, educational resources, and campaign development. These efforts will support and complement existing local and regional planning efforts and other initiatives. In addition, the new position will maintain and improve connections with non-governmental partners, such as the CRS User Group and stakeholders identified as part of the region's Comprehensive Climate Action Plan.

Budget

Budget Summary

Grant Matching Requirement*:

Planning and Capacity Building (staffing) - Fund 50%/Match 50%

*Match requirements for Planning and Capacity Building in low-income geographic areas will not require match for applications requesting less than \$3,000.

Is a match waiver being requested?

Match Waiver Request No

Note: only low-income communities
are eligible for a match waiver.

*:

Total Project Amount (Request + \$1,102,468.00

Match)*: **This amount should equal the sum of your request and match figures

REQUIRED Match Percentage \$551,234.00

Amount:
