

VIRGINIA FLOOD AWARENESS WEEK

MARCH 8-14, 2026

Topic: Flood Risk

Outreach Activities

Example 1

Share social media posts for the public to learn where they can find flood hazard information, such as the Virginia Flood Risk Information System or your local mapping platform.

Example 2

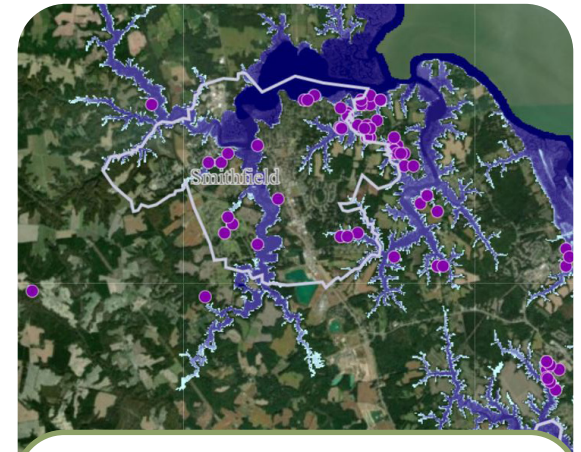

Do you have areas in your community with known flood issues (flash flooding, high tide or a major storm)? Put up temporary or permanent signs to educate residents of this risk.

Messaging Ideas:

**NO
PARKING
FLOOD
AREA**

**ROAD
MAY
FLOOD**

**PARK AREA IS ALSO A
FLOOD CONTROL AREA**

Example 3

Host an open house for the public to learn about flood risk, flood maps and whether their property is in a flood zone. Share information about flood insurance and your local floodplain management program.
