

CLAYTOR LAKE MUSSEL SALVAGE DAY

Come help mussels! Plan to get muddy!

A temporary 5 foot drawdown of Claytor Lake is scheduled for property owners to conduct shoreline maintenance. Mussels stranded by the drawdown need help getting back to the water. Help us help them! Join us as we travel to locations around the lake where we'll walk along the shoreline, counting and gently tossing mussels into the water.

Wear clothes, shoes/boots/waders and gloves to get muddy in. Also layers appropriate for the weather. (We recommend bringing extra clothing and shoes to change into afterward.)

Teams will travel by boat, foot or car to selected salvage locations. Children are welcome if accompanied by an adult. Bring lifejackets for children; adults are encouraged to bring lifejackets if they have them.

Drinks and snacks will be provided. Lunch will be available at the Claytor Lake State Park meeting facility. Event end times will vary by team but approximately noon to 1:00.

For more information and to sign up, contact Laura Bullard at laurabullard54@gmail.com by Wednesday, November 5.

Volunteers are encouraged to sign up in teams ahead of the event.
